

Acme Corp Data Retention Policy

1. Introduction

This policy defines how Acme Corp classifies, retains, and disposes of company records. It applies to all employees, contractors, and systems that create or store company data.

2. Scope

This policy covers structured and unstructured records held in company systems, including customer records, email logs, and financial statements. Personal devices are out of scope.

3. Retention Requirements

Each data category below has a minimum retention period and a designated owner responsible for enforcement and disposal.

Data Category	Retention Period	Owner
Customer Records	7 years	Legal
Email Logs	1 year	IT Security
Financial Statements	10 years	Finance

4. Appendix: Exceptions

Records subject to active legal hold are retained until the hold is released, regardless of the periods listed above.
